OLYMPIC GAMES FOR SWEDEN Lightbody Thinks Stockholm Will Hav the Call Over Berlin.

Special Cable Despatch to THE SUR BERLIN, Dec. 5.—James Lightbody, win-ner of the half mile at the Athens Olympic games in 1906, is here in behalf of the German Athletic Union endeavoring to ascertain the feeling as to the holding of the Olympic games in Berlin in 1912.

told THE SUN correspondent today that it was not probable that the

day that it was not probable that the games would be held in Berlin. He thought it more likely that they would be held in Stockholm, where there is less class spirit, especially among the army officers, in regard to sports. He also said that there was a greater willingness in Sweden to provide the necessary funds.

Mr. Lightbody said that the committee for the next games would be really international, thus avoiding the situation which he believes was at the root of the trouble at the last meeting. This trouble arose from the difference of opinion in the committee in regard to the time of holding the games. The Greeks insisted that the proper calculation of the time since the original festivals would bring the games in 1898, 1902 and 1906. In accordance with this claim Athens will hold Olympic games in 1910.

TESTING BASKETBALL RULES. Intercollegiate Committee Confers With the Team Captains.

rules committee of the Intercol legiate Basketball League held a conference with the captains and managers of the leading college teams of the East at Columbia University yesterday afternoon, W. C. Hyatt of Yale, chairman of the committee; H. A. Fisher of Columbia, Ralph Morgan of the University of Pennsylvania and Lieut, J. W. Stillwell of West Point were the members of the committee present, and they spent the entire afternoon in discuss ing and explaining the new rules as adopted by the basketball league at its last general

meeting in the spring.
Chief interest centred in the decision of the league requiring two officials at every intercollegiate game. As the league is to have no jurisdiction over any of the games played between the different colleges this winter, even those played by members of the league, there had been a general mis-understanding as to who should select these officials. It was finally decided that the officials of the opposing teams shall select the floor officials and that the latter shall determine themselves who shall act as referee and who as umpire. The central-board of governors of the league, however, will recommend certain men for these duties, but their selection by the colleges will not be obligatory.

Most of the new rules were adopted with a view to eliminating all unnecessary the league, there had been a general mis-

Most of the new rules were adopted with a view to eliminating all unneccessary roughness. It was generally agreed that the rule disqualifying a player from continuing in a game after five fouls have been called against him is a good one and one that was needed. This discussion, however, brought up the rule that a man who carries the ball over his head or stops while dribbling makes a foul. Some of the managers declared that an umpire could so construe this rule as to work injustice to individual players and so debar them from the game. After much discussion the rule was finally construed that all unnecessary slewness in dribbling will work against a man. The managers almost unanimously declared that this interpretation would mean the elimination of dribbling.

Ryan of Columbia, Keinath of Pennsylvania and Cushman of Yale, captains of their respective teams, illustrated the different constructions which were placed on the rules. Representatives were present from Yole, Princeton, Columbia, Pennsylvania, Pennsyl

PRINCETON BEATS FORDHAM. Tigers Play First in First Basketball Game-Score, 39 to 20.

PRINCETON, N. J., Dec. 5.-Whirlwind playing in the second half of the basketball game between Princeton and Fordham here to-night gave the Tigers a clean cut Victory over the New Yorkers. The final score was 39 to 20. It was the initial contest of the season, but there was plenty of fine individual play and well developed

test of the season, but there was pienty of fine individual play and well developed team work.

Better physical condition and concerted action by the Tigers swept the Fordham five completely off their feet after the first half. Princeton started the scoring right off the reel, but the New Yorkers came along rapidly and it was neck and neck during the period, which ended with each team tallying it points.

When the second half was about a minute under way the Tigers opened fire and bombarded the basket for goal upon goal. They piled up 20 points in short order, while Fordham shot an occasional basket. Then the regular Princeton quintet withdrew in favor of a substitute team, which more than held its own with the tired New York collegians.

Though there was much brilliant individual play, the Orange and Black starred particularly as a well drilled team. This is just what Princeton has lacked in seasons past. Hughes and Keyes did most in the scoring line for the Tigers and Capt. Meese, Veeder and Warner put up a clever defence. Mahoney had an eagle eye for foul goals. Siskind was aggressive throughout. The game was clean except for one mixup, which after all didn't amount to much.

TWO MEADOW BROOK HUNTS.

Good Sport Morning and Afternoon on Long Island.

MEADOW BROOK, L. I., Dec. 5. frosty afternoon was the means of bringing a large crowd out to-day at the meet of the Meadow Brook Hounds at East Williston, with M. F. H. Samuel Willetts in charge. Just after the start the line led through a ploughed field, and at the other end was a stiff five rail fence. The hunter ridden by Malcolm Stevenson took off too short and came down against the fence with a crash, throwing his rider clear over the fence. A groom caught the horse and Mr. Stevenon remounted and caught the field at the

A groom caught the horse and Mr. Stevenson remounted and caught the field at the check.

The line continued north, over the Titus farm and a part of the Post property to the Rushmore place, where the check was held for a few mi nutes.

The party continued to the Clarence H. Mackay place, where the pack was again released and this time ran down hill to the estate of Samuel Willetts, where the run ended.

Mrs. Frederick Swift and Miss Cornelia Bryce had a pretty sprint for half a mile to see who would have the honor of being first in, and Miss Bryce won handily. Among those to finish were M. F. H. Samuel Willetts, Mrs. Frederick Swift, Miss Cornelia Bryce, Maleolm Stevenson, H. M. Earle, J. S. Phipps, John Graham, H. E. Drier, Henry Godfrey, Beverley Robinson, R. Halloway, J. P. Grace, Harry Payne Whitney, R. Halloway and R. F. Potter.

In the morning a fox hunt was held with the American Foxhounds, with a dozen people in the saddle. The meet was at the home of R. N. Ellis, Hardly had the first cover been drawn before a fox was jumped and set off at a fast clip toward Wheatley. The pack was close behind and had their quarry on the jump from the time he was first started. Several times he went to view, with the pack behind and the field following a hundred yards in the rear. Across the Hitchcock place and on up into the hills led the pack and across the E. D. Morgan place, where the pack was thrown at fault for a few minutes by the fox running through a drain, and while the hounds were working on one end the fox left by the other, and his scent was not picked up for some time. He was finally holed on the property near the Blue Hotel. Those to finish were M. F. H. Willetts, R. N. Ellis, Malcolm Stevenson, Mrs. Frederick Swift, W. Halloway, John Graham and H. E. Drier.

British Vice-Consul at New York, refereeing the game, Columbia's varsity soccer play-ers contested their return match with the Staten Island Club on the grounds of the latter at Livingston, Staten Island, yesterday afternoon. The result was again in favor of the strong Staten Island aggregation, which had scored a victory on South Field earlier in the season. The game, however, was quite as close as before and he home team barely won by I goal to 0. The Staten Islanders won the toas and had the sun and a fairly strong wind favoring them at the start. With this advantage they would have made a much better showing had it not been for the really brilliant work of Spencer, Columbia's goal-keeper. Some of the Columbia reserves, on the other hand, were drafted by the varsity eleven for the game at Livingston. All the scoring occurred in the first half, when five minutes after the start the Brooklyn lads took the lead. Following a kickout from a foul Harding, centre forward in the Manual lineup, sent in a beauty from a mixup in front of Columbia's goal, which proved too much for the home custodian. For ten minutes the struggle to score continued without Dame Fortune smiling on either team. Finally Paton, outside left for Columbia, brought up the ball through a long stretch and, shooting for goal, struck the cross-bar. The ball stanted inward and the score was tied. From then on, try as they would, the players on neither side were able to add to the points already made and the match ended in a draw.

Playing against the champion Camerons in the Saturday championship series of the New York Amateur Association Football League at Marquette Oval yesterday aftermoon the eleven of the Brooklyn Football Club maintained its lead in good style with a clean cut victory by the score of 3 goals to 0. The Brooklyns tallied twice in the first half and once in the second. Caldicott tallied first through a pretty piece of work and Hampson clinched matters shortly before half time. A difficult cross shot on the part of Watts gave the Brooklyns their third and last goal in the second period. A high wind prevailed and interfered somewhat with accurate passing. Bissett of the Camerons came near scoring on several occasions, but each time his efforts were frustrated by the good work of Tierney in goal and the consistent support of the Brooklyn backs. The victory increased the number of Brooklyn's points in the competition from 7 to 9, leaving the Camerons tied with Hollywood Inn at 5 points.

The Critchleys of Brooklyn, who will meet the Elites of Trenton in the American cup tie game at Meyerrose Park this afternoon, met and defeated the Astoria Independents on the same grounds yesterday afternoon, the final score being 4 goals to 1 in favor of the home team. Schoolboys were pitted against churchmen in the association football match between the team of the Curtis High School and Christ Church on the grounds of the former at New Brighton, Staten Island, yesterday afternoon. The High School lads proved themselves a little too much for the visitors, who played with only ten men. There was no scoring in the first half, when the visitors did their full share of the pressing. In the second period the schoolboys had the better of the argument and Wort shot the goal that decided the issue. Christ Church pressed toward the close, but failed to get through.

New Haven, Dec. 5.—The Yale soccer team closed its fall season to-day, with a defeat by the Crescent A. C. of Brooklyn by the score of 5 to 2. The season has consisted of a defeat by Ansonia, 3 to 0, a tie game with Springfield Training School at 3 to 3, and another defeat by the Crescente, 8 to 5. There was an absolute lack of team work for Yale, which made the contest hopeless from the beginning.

Goddard made a long, low goal for Yale soon after the game started. Late in the half of the product of the second half McKee half J. Jeffers made a goal for the Crescents and the half ended with a 1 to 1 score. At the beginning of the second half McKee made a score on a drive for Yale and then the Crescents woke up. Scores followed in rapid succession and the Yale defence, which is usually very strong, was very poor.

Members of the Bergen Beach Gun Club theoret at their Jamaica Ray trans yeas.

W. W. Peabody, Jr., v. W. W. Marshail, 7.

Members of the Bergen Beach Gun Club gathered at their Jamaica Bay traps yesterday and decided an interesting event of 100 targets. The winner was A. B. Suydam, who defeated H. B. Bergen by a single blue rock for the prize. The winner's strings were 18, 21, 20 and 24, which gave him a total of 83. The day was not particularly good for the sport as a strong wind swept across the meadows and sent the targets flying in every direction. The Bergen Beach organization will hold its December shoot on Tuesday. The scores:
Club Shoot, 100 Targets—A. B. Suydam, 83; Club Shoot, 100 Targets—A. B. Suydam, 83; D. Bergen, 82; H. W. Dreyer, 78; J. Martin, 78; Morgan, 67; C. Dondera, 66; C. Armitage, 66; Voornees, 62; W. Ryder, 46; J. Shevlin, 45; A. Conover, 43; J. Petter, 37.

B. Conover, 43; J. Petter, 37.

Four gunners reported at the traps of the Marine and Field Club yesterday. Each marksman shot at 150 targets and the winner was W. H. Davol, who broke 98 of the flying blue rocks. The scores:

W. H. Davol, 98; A. C. Bellows, 94; W. S. Pardoner, 85; C. M. Camp, 76.

COMMERCE WINS THE HIGH SCHOOL CHAMPIONSHIP.

Finishes Twelve Points Better Than De Witt Clinton, With Commercial Team a Close Third-Major of Boys' High Kastly Takes Individual Honors.

The high school cross-country champion-

ip of the Public Schools Athletic League was won by the High School of Commerce yesterday afternoon at Celtic Park with a team score of 66. The next six teams scored as follows: De Witt Clinton, 78: Commercial, 87; Boys' High, 103; Erasmu Hall, 127; Eastern District, 140, and Manual Training, 160. As only three men of the Bryant High School team finished that school got last place without any score. Cedric Major of Boys' High won the race Cedric Major of Boys' High won the Face in the excellent time of 17 minutes 2-5 up. Demmitt, the Newark outfielder, now seconds. O. De Grouchy of Erasmus Hall with the New York Americans, has a persecond and Herd of Commercial third. centage of 270. Mcliveen's Eastern League The gight teams lined up in front of average was 245. The averages follow: Celtic Park at 2:45 and were soon started off over the new course, which is a circle of approximately a mile. It takes in hills and dales, stone walls and ploughed fields and many other obstacles which put the runner's endurance to a hard test before he has finished. This mile lap was traversed three times, making the entire course ersed three times, making the entire course a trifle over three miles. In the first lap, which was completed in 5 minutes 38 3-5 seconds, the field was strung out in a line nearly a quarter of a mile in length. At the end of the lap MacDonald of De Witt Clinton led and Major, the winner, was a couple of yards behind him. Rooney of Bryant, Herd of Commercial and Vessie of Commercial were well bunched, closely following the two leaders. The others trailed on behind in a long line.

The line of runners lengthened out to double its original size in the second lap. Major shot ahead at the last turn and was leading by twenty yards when he passed the judges. After him in close order came Rooney, MacDonald, De Grouchy, Vessie and Herd of Commercial, Emdin of De Witt Clinton and MacCaffrey of Eastern District. The time for this lap was 5 minutes 48 3-5 seconds. All the leaders were running easily and none of the fifty-five starters had dropped out.

governing the minor leagues which the two organizations named say is intolerable. Being the biggest minor leagues in the National Association they want to have more say than they do have, and plans to bring that about will be the object of to-day's meeting. The National Commission will meet here to-morrow, and on Tuesday the National and American leagues will hold their annual meetings.

George Tebeau, owner of the Kansas City and Louisville clubs of the American Association, who has been in town for some days, said emphatically yesterday that war wasn't wanted by the two minor leagues and that there never was any intention of deing anything to bring it about. The and that there never was any intention of deing anything to bring it about. The proper that I am after the Buffalo club also is wrong, declared Tebeau. We have a strong circuit in the American Association right now without looking for trouble by going after any city in another league.
